All Heads of Telecom Circles/Projects/Regions & other Administrative Units of BSNL

Subject: Economy Measures- economy in effecting Transfer/posting of officers/BSNL Employees from one place to another- instructions thereof.

Different proposals for company cost transfers as per operational requirements have been received from a number of Circle heads and also in National Council meeting, the matter of transfer of officials from urban to rural areas and vice versa, was discussed and unions demanded that officials posted in rural areas are to be brought back after completion of 2 year period, but due to embargo on company cost transfers, a number of officials waiting to return back in urban areas and also to fill up these rural area posts, are hindered, so they demanded that rural and urban area to & from transfers should be treated as tenure transfers for the purpose of transfer TA/DA.

Few of circles have requested to transfer a number of officers to fill up the vacancies arisen due to retirement /sensitive post criteria/manning of the stations. A deluge of requests have been pouring in and circle heads being overall in charge of the circle are better judge to the circumstances, the management has decided to permit CGMs to utilize their delegated powers to transfer and post as per transfer policy in utmost requirement and exigency of the services judiciously in the wake of the scarcity of fund. These restrictions will cease to exist after the stipulated period mentioned in letter dated 14.03.2019.

This issues with the approval of the competent authority.

Dy. General Manager (Pers.- Sr. Mgmt.)
