To,

The Chief General Manager Telecom
BSNL, Telangana Circle
Hyderabad – 1.

Subject:- Missing/Theft of Battery sets and Departmental material at Huzurabad –
Request for enquiry.

We wish to bring the following issue to your kind notice for needful action please. At Huzurabad (Warangal BA) three incidents happened in 2 years. But the management have taken an eye wash action in the matter. The then and present administration is having soft corner in the matter. We strongly protest and request for proper enquiry to caught the real culprits in the incidents.

- (1) 1 ½ year back 70 battery sets were went away from Huzurabad exchange. Management filed FIR in the police station and washed their hands.
- (2) 4 months back one A/C was stolen from Keshavapatnam Exchange, but was returned after a day, when it went to public domain.
- (3) On 24-06-2023. One battery base stand and BM bottom base was stolen from the Huzurabad exchange. We do not know whether police compliant was booked or not.

Still the management is having soft corner with the culprits (then and now). The reasons were best known to them. It is quite unfortunate and not good for BSNL entity.

Thanking you,

Yours faithfully,

(A. Rajamouli)
