Subject: Yearly revalidation of BSNL MRS Card for retirees, regarding.

As you are aware, retired employees are required to revalidate their BSNL MRS Card every year. The medical card revalidation is being done in the respective BAs for which retirees are required to be present in person in concerned office or sometimes documents are sent via posts.

It is observed that this very requirement of personally being present in front of concerned person in respective office causes a lot of hardship and unnecessary inconvenience particularly for the aged and infirm retirees who cannot always be in a position to present themselves in front of the particular authority.

Moreover, it is seen that Online Digital Life Certificate for Pension related requirements is now being done through biometric enabled Jeevan Pramaan digital service for pensioners which provides life certificates to the authorized pension disbursing agencies like Banks, Post offices etc.

Hence, in order to enable hassle-free revalidation of Medical Card issued to retired employees under BSNL MRS, it is decided that Medical Card Issued to BSNL retirees shall be validated yearly on submission of digital Life Certificate issued by Jeevan Praman Portal. Digital Life Certificate may be submitted to the concerned authority electronically through email/messenger etc. to concerned BA/SSA/Circle office. However, existing process of revalidation shall continue for any change in beneficiary.

It is therefore, requested to nominate one AGM/SDE under Admin/HR section in Circle/BA offices for confirming revalidation of BSNL MRS card electronically, on the basis of Digital Life Certificate received through email/messenger from retired employees. The official email(s)/Contact details of Nodal Officer may also be provided to unions/associations representatives.

A compliance report for the same shall be submitted by 10th December 2024, positively, for perusal of Director (HR).
